FREEDOM ACRYLIC BLOCK WINDOWS

AB-2923

- Available in full and nominal wall thickness (Attach 2” extension for 10” wall)
- Sash is removable for easy cleaning or to pass material through opening
- Welded sash with powder coated handles for ease of operation
- Fully braced and wrapped for poured wall installation
- Acrylic block provides privacy and security
- Acrylic block is 75% lighter than glass block
- Acrylic block has superior strength. Designed for use in high wind coastal areas
- Available in three sizes, including Egress (See below)
- All Vinyl frame is maintenance free – No painting or rusting
- Window is fully venting to prevent moisture build up in the basement (Washers/Dryers)
- Tested energy rating comparable to 7/8” insulated glass
- Sash is double-weatherstripped to protect from outside weather infiltration
- Full screen is removable from the inside
- Reversible if poured incorrectly – Header, jamb and sill parts snap-in for correction
- Acrylic block is UV stabilized and will not turn yellow
- Rotate the window for awning or hopper installations

NEW – CUSTOM SIZES NOW AVAILABLE
